Weekly work log

A week of progress, evidence, and requests for support.

Week commencing (Monday)

Your name **Project**

Tick skipped for any day you did no work. Working days need a summary, image and timelapse link.
Time means actual recorded work minutes, not the runtime of a sped-up video. Save a draft as you go.

CONFIRM YOUR WEEKLY LOG

I confirm that this is an accurate record of the work and recorded time shown in this log.

Signature

Date signed

This is a progress and support log. It does not require work on every day of the week.

The requester receives the completed signed PDF, including the evidence images and links.

Weekly outcome metrics

Optional counts for work that fits your role. Leave blank when a metric does not apply.

These self-reported counts add context; they are not a standalone measure of performance.

Emails sent

Work-related emails you sent during this week.

COUNT

Tasks completed

Tasks or work items you completed during this week.

COUNT

Deliverables completed

Issues resolved, releases shipped, or other completed outcomes.

COUNT

Count only work-related activity. The weekly report also records time, evidence, progress, and support requests.
